Global Executive Search Firm Launch New Talent Search Product

A worldwide executive search firm, have expanded their service offering, announcing the arrival of a new workforce recruitment product.

LONDON, MARCH, 2018

Miramar Global, a leading executive search firm, who have offices in London and Philadelphia, would like to announce the arrival of a new service designed to meet the needs of 21st century businesses needing to take control of their talent agenda to have greater impact on diversity, meet the demands of digital transformation, or simply refresh their business' high performing teams.

Miramar Talent is a new recruitment product which applies the firm's executive search methodology to the workforce talent process. Miramar Talent has structured and quality focused recruitment delivery at its core, whilst providing insight and analysis which can further support an organisation's talent strategies and cogent decision making.

As a result of this announcement, the firm will soon reveal who has been appointed as Managing Director of the new department and while this statement is to come, it is known that the new team will bring together extensive experience in creating and leading in-house recruitment functions for global organisations and expertise in external search delivery.
